#### **PASTOR'S REFLECTIONS**

*by Rev. Arch Wallace*

Last Sunday we were blessed by the Youth of the church with a powerful message of following God, of letting God lead, of letting go to let God show what is planned for us. This week, we return to the Gospel of John to consider what Jesus told his disciples about God's plan for them, and by extension, what God says to us about living in the Kingdom as Christ's follower. The Password to understand this study is CAR KELOG; and the key word is branches. If these clues don't make sense yet, come Sunday and hear what God is still saying to us, when God says: COME!

*We ask for your prayers as our Medical Mission Team spends this week in Honduras.  
April 20-27*

The mission/goal of the Friends of Barnabas is to “heal, educate, and empower” through ongoing programs that are focused on improving the lives of children and their families. Health education and training are provided during clinic visits to each village and throughout the year as staff make home visits, offer classes for parents, community leaders, and health professionals. These efforts empower individuals and communities to take ownership of their health and well being and become more self-sufficient.

This week, Cathy Kirkland and Charles Hunt join 11 other team members to provide medical, dental, and vision care to five communities committed to improving their health. Also included will be clinics for vital signs, deworming, vitamins, and early-childhood development measurement. *Follow their trip on “Friends of Barnabas Blog.”*

Many of you have been an integral part of this endeavor. They want to express sincere appreciation to all who have embraced this mission trip by donating diapers/pins,

sunglasses, toothbrushes, pocket prayer shawls, and funds for medicines, doctors, translators, and medical supplies.

Again, thank you for your ongoing support of this mission as they serve as “Sus manos” (His hands). Your continued prayers for the team and staff are welcomed as they strive to “heal, educate, and empower” those they serve in Christ’s name.
