## ***Pastor's Reflections***

### **Grateful to our YOUTH!**

My heart is filled with gratitude to the Youth of The Brandermill Church for leading us in worship last Sunday! I am grateful to Jenna for leading the music of the day, including all who assisted her. I am grateful to Molly for doing an amazing job with Children's Time. I am grateful to Bus, Karli and Alex for giving us 3 meaningful sermons. I am grateful to Zach for assisting at the table as our first Youth Ruling Elder at The Brandermill Church. And I am grateful to ALL the other youth who led us in worship. I am extremely grateful to Isabella Fagiani, our Director of Youth Ministry, for working with our youth to bring all the elements of worship into one amazing time of worship.

I am also grateful to those adults who have given their time on Sunday morning, afternoon or Wednesday evening to be with Isabella as she leads our youth in their faith journeys. Sunday was an exhibition to all of us of the fruit of our baptismal promise as a congregation to "teach this child what it means to be a follower of Jesus Christ." The minute for mission called us to awaken to the possibilities to walk with our youth in their faith journeys by simply being present at youth activities or even bringing a meal on

Sunday evening. Please do not hesitate to be in touch with Isabella if you are willing to assist as we continue growing disciples in this body of Christ.

This Sunday we will continue in the season of Easter and my sermon title is "Resurrection Has a Voice!" Jesus, the Good Shepherd tells us his sheep know his voice. Our youth reminded us that there are so many voices calling to all of us daily. By gathering as a community of faith we are able to recognize the voice of our Good Shepherd. So I look forward to being with you once again as we listen for our Shepherd's voice.

## *TBC Cares . . . Guatemala Mission Trip*

GUATEMALA – in July 2019, 14 TBC disciples will travel to The Highlands to build 15 fuel-efficient stoves, which add many hours to a woman's day enabling her to fulfill her commitment to participation in community organization and educational activities solving social, economic, and health issues. Each stove costs \$250, and if you would like to participate in this mission, please consider making a donation – just write Guatemala on the outside of your envelope and also on the memo line – you can also make donations online through the Church's website. If you have any questions, please contact [Nancy Rider](#).

## *This Week in TBC History*

We continue looking back at the people and events that have made The Brandermill Church the vibrant group of disciples it is today.

## *REALM . . . it's part of everyday life . . . and you're invited!*

Yep, this is how churches do it now.

Realm has changed how churches use technology in ministry. It's not geeky or complicated. It's approachable, useful, and a part of everyday life. It's on the screens you normally use and available whenever you need it.

**ASK PETE!**

The Brandermill Church has now switched to Realm, a website that provides capabilities for congregants to update information, perform online giving, and even communicate with other members. On May 19th and June 2nd, your financial liaison, Peter Bringman will be available in the Narthex to help users set up accounts, before and after service. If you have already received an e-mail and need help, **ASK PETE!** If you haven't received an e-mail and need to set up an account, **ASK PETE!** If you can't figure out how to set up online giving, **ASK PETE!**

## Stewardship Information

### A Giving Nugget

A great method to give toward the church is via your online banking. If you use online banking to pay your monthly bills, simply set the church up as a payee. You can then use your online banking to also make donations to The Brandermill Church whenever you choose. Unlike giving through your credit card on the church website, contributions made through your online banking do not cost the church any additional money in fees.

**As always, thank you for your generous support  
of The Brandermill Church and God's work here!**

**The May communion offering  
will support our mission trip to Guatemala.  
Gifts will be collected all month. Please designate 'Guatemala'  
on your check, offering envelope or online donation.**
